Now is the time to send us your vote for *Club* girl of the year. It has been closely fought over the last couple of years, and we reckon it'll be the same again. Yup, the fit girls aren't drying up, and just to ram home the point, we've put together one of our strongest issues in years. Mia Malkova and Sam Bentley lezzing off? Chloe Toy centrefold? Malena Morgan? Candice? A snow babe? This is the stuff that glamour dreams are made of, and we promise you even more of this good stuff in 2014...

LETTERS TO THE LOUNGE

Dear Club,

I got married a couple of years ago, and with that I thought I would leave my wild days behind me. However, almost the opposite has happened. I now find it even more difficult to stay faithful than ever to my husband, and particularly when other people's husbands are around. There's something about having sex with someone when you know that it's totally illicit, that turns me on more than anything. I love to play the role of the mistress who will do all the things that their wife won't.

Picking up married guys in bars isn't difficult at all. The last guy was a couple of weeks ago, and he'd only been married for a matter of months. He was still in the honeymoon period, so the challenge of getting him to fuck me was irresistible and made me hornier than ever.

Once I'd enticed him back to my flat, I made him sit in a chair and watch me as I unpeeled my clothes. Undoing my blouse, I could see the nerves in his eyes and I knew he was thinking about his wife. I pulled my skirt up over my thighs and stepped closer to him. Running one finger down into my panties I hooked it seductively into my pussy. "Does your wife do this for you?" I asked him. He didn't reply, but I heard his breathing shortening as my other hand reached down the back of my knickers.

Turning to the side, I showed him that I had a finger in my arse as well as one in my cunt. Removing my clothes slowly, I then dropped to my knees and raised my two holes up in the air, giving him an amazing view. I said, "I bet you want to wank off to this, don't you?" and slipped a finger back in my fanny. I was holding my arse open with two fingers of my other hand while my middle finger stroked at my bumhole.

Craning my neck around and licking my lips like a total tease, I could see a blur of motion as he tossed himself off furiously. "Does your wife let you fuck her on all fours, like a dog?" I purred. Again, he didn't answer, but his free hand was now stroking my bum, which I eagerly edged towards him. "Does she take it in her bum, like me?" I taunted, and in a flash he was on his knees behind me dragging his shaft in the crack of my arse.

"I think I want it in my pussy, tonight," I commanded, now in total control of the situation. He obliged immediately, edging his fat end up me, slowly at first and then in and out as fast as he could. He spread my arse

TEEN WOLF!

Dear Club,

Teenage Licks? Yeah, I can get with that. I was a fan of your *Teens Untamed* spin off, which didn't seem to last for too long, so glad to see a few more 18 and 19 year-olds in *Club*. But does this replace Reader's Girlfriends? I hope not, that's one of my favourite bits of *Club*. In fact, one of my old birds was in it in the 90's, not that we're together now. Still, I'll always have those pics to go back to!

Len, Matlock

No, it doesn't replace Reader's Girlfriend – that's become a bit of an occasional thing now, for when we've got the right kind of girl, and the same goes for Teenage Licks. As for Teens Untamed, we were sad to see that go, but the world is a difficult place to launch new magazines in these days. And as for your ex – feel free to drop us a line and let us know what her name was. Or if you've got some stronger pictures that we can't publish but would love to see...

GOOD JOB, CLUB!

Dear Club,

All of *Club's* Volume 42 issues have been brilliant and I mean that genuinely from the bottom of my heart. Being a reader of *Club* since January has given me a fantastic collection and I've never missed out on an issue. Corrrr, Volume 42 is terrific, fabulous, no complaints whatsoever. Beautiful girls and the lingerie shoots are my favourite. I love nylon, lingerie, high heels etc. Many, many wonderful lingerie shoots this year and I thank you for that.
Graham, Redruth

Cheers, Graham. We're sorry we couldn't print your letter in full – space and all that! – but we've passed on your appreciation to everyone involved here, and you have ours for your continued support too. Get yourself over to page 43 and let us know who your girl of the year is as well!

with the flat of his hands, as he shagged me hard. "You want to spray in my arsehole don't you? That's what you want to do to your wife, isn't it?" I kept asking him, as he grunted and moaned, driving it in harder each time.

Feeling really kinky by now, I demanded, "Imagine it's her you're fucking hard like this and cum all over her." He didn't need telling twice, and he just managed to get his prick out of me in time for the first jet of jizz to splash against my pussy. His dick was then soon between my bum cheeks, delivering ravines of spunk in my crack and over my lower back.

Drenched in his cream, I turned round and asked coyly, "How was that?" This time he smiled and replied, "Fucking amazing." "Well then?" I posed to him. He reached for his mobile, called his wife and said he was going for a meal with the lads. He's now been 'out with the lads' quite a lot since then!

Sweet as Candice...

Candice makes a welcome return to the pages of *Club* after a trip to Los Angeles, where these photos were shot. Where was our invite?

"Sorry, I had to go in a hurry. Holly wanted to shoot me and there was a small window of opportunity. You should have come, it was wild. I went to amazing pool parties every night with porn stars, DJ's, models, musicians, all the beautiful people. It got really wild and I did some things I didn't expect to!"

club's ROUGH GUIDE

We're in the depths of winter and much of the sport has either retreated indoors or bugged off abroad. Using a combination of tenacity and the Internet, here's what Matt Loxham has managed to track down...

British Darts Organisation (BDO) World Championships

**Lakeside, Frimley Green
January 4th to 12th**

When the post-Christmas gloom kicks in it's left to the darts to cheer everyone up again; that and a new series of *Dancing on Ice*. It's no wonder the UK is rated the 22nd happiest nation on the planet.

The Professional Darts Corporation or PDC version of the World Championships, taking place around about now, has all the glitz, glamour and most of the really big names of the sport, but for whatever it might possess in the way of quality arrows, packed arenas and gratuitous pyrotechnics it lacks in the solid darting tradition that the BDO shebang can boast in spades. Central to this is the sweaty, uniquely masculine atmosphere

of the Lakeside Country Club, the stage where the likes of Eric Bristow, Jocky Wilson and John Lowe toed the oche during the glory days.

For a week or so every year the sleepy village of Frimley Green becomes home to the highest concentration of Hai Karate wearers in Britain, a place where owning a medallion is still acceptable and where a sixteen pint session is routinely dismissed as 'lunch'. But the BDO championships aren't all about bling, musk and alcohol, although naturally these elements do play an important part. Top class darting action is the main draw here, and while this side of the sport's big split might not boast a Phil Taylor or a Michael Van Gerwen, in Scotty '2 Hotty' Waites they have their very own superstar. What's more, the proud Yorkshireman remains resolutely faithful to the BDO and still works as a joiner, despite winning this tournament last year and pocketing a hundred grand in the process.

Waites has the ability to mix it with the best of the PDC when the rival organisations are permitted to mingle, as he proved at the recent Grand Slam when he reached the semi-finals, toppling turncoat BDO defectors Mark 'Webby' Webster and Ted 'The Count' Hankey on the way. Stockport's Tony O'Shea is another BDO stalwart who on his day can give the PDC players a run for their money. In the same Grand Slam the 'Silverback' ran Raymond Van Barneveld close and edged out Andy Hamilton, and many fans would love to see him win the Worlds after he missed out to Waites in the final last time around. O'Shea might have his work cut out though, as he faces the prospect of a nightmare draw against former double-champ Martin 'Wolfie' Adams in the first round.

Looking beyond the older stagers for a moment, the current BDO number one and favourite for this tournament is Stephen Bunting, a Liverpoolian lobbyist who collects trophies for fun throughout the year on the circuit

but who has a habit of bottling it under the bright lights of the Lakeside stage. Dutchman Wesley Harms has lost out in the semi-finals the last two years running and must be fancied to go close again.

Excitement, medallions, bad cologne and great arrows – January doesn't sound like such a gloomy month after all...

Masters Snooker

**Alexandra Palace
January 12th to 19th**

If the hours that the BBC devoted to their coverage of the recent UK Championships at the York Barbican are anything to go by, snooker is definitely on the up again, and to be honest it's about fucking time. The sport is about as open and competitive as I can remember – which admittedly isn't very long these days – and all of the top sixteen players and beyond go into tournaments with a realistic

chance of winning. To add a bit of colour, recent months have seen legendary potters such as Jimmy White, Ken Doherty, Tony Drago and, ahem, Nigel Bond dusting off their cues to mix it with the current crop, albeit with varying degrees of success.

The Masters is a little different from the other tournaments on the snookering calendar as usually only the top-16 players in the world take part, placing the emphasis on quality over quantity and giving the competition something of an exclusive feel. This year an exception has been made for Ronnie O'Sullivan, who despite being ranked 29th qualifies as current World Champion, meaning poor old Graeme Dott misses out.

O'Sullivan is currently the clear favourite for this one and he does traditionally have the rowdy Ally Pally crowd behind him. However, considering he was beaten by Stuart Bingham in the quarter-finals of the UK Championships and afterwards announced on Twitter that he was knackered and that he'd rather go jogging than play snooker it might be worth hedging your bets on The Rocket.

After winning the UK Championships Aussie Neil Robertson is the form choice, with beaten finalist Mark Selby close behind. China's Ding Junhui reeled off three consecutive ranking tournaments prior to flopping at the York event

and cannot be ruled out. The Masters draw has not been kind to Ding, however, and he faces a tough opening match against Shaun Murphy. A typically open contest awaits; a contest where snooker is the only guaranteed winner. And yes, I think that did sound a bit cheesy.

Australian Open Tennis

**The Rod Laver Arena
January 16th to 26th**

Did you know that Andy Murray has already had two autobiographies published? Just thought I'd throw that out there. I'm not denying that he's a hugely talented tennis player and all that, but surely a short pamphlet could adequately summarise the famously dull Scot's life to date. I mean, it's not

beyond the imperious Serena Williams, a player who enjoyed a hugely successful 2013 – winning a couple of Grand Slams – emulating her stellar achievements of the year before. Unplayable on her day, Williams will have to be at her best, however, to wrest the Aussie Open crown from Belarusian Victoria Azarenka, who is on course for a hat-trick after bagging the last two titles down under.

In terms of home interest, Laura

“Surely a short pamphlet could adequately summarise the famously dull Scot Andy Murray's life to date”

like he's going to be recounting witty anecdotes about, say, the time he hid Roger Federer's talc or took a shit in Rafa Nadal's kitbag. But I digress...

Murray is currently battling injury problems in a bid to be at the first Grand Slam of 2014, and should he make it he'll have to negotiate a resurgent Nadal, currently back up to number one in the world rankings, and the amazingly consistent Novak Djokovic. To add insult to his injury, Spain's David Ferrer has bumped Murray down to fourth best, and he hasn't even got one autobiography out, let alone two.

On the women's side of things it's difficult to see

Robson faces the most important season of her career so far as she bids to mix it with the very best on a regular basis. Robson certainly has the potential to win a 'slam but if she was to reach the quarter-finals here then this would be seen as a success. Domestic rival Heather Watson has turned to a new coach in a bid to halt a slump that has seen her struggle with illness and drop to British number three.

An interesting year lies ahead for two of our brightest tennis stars. Certainly more interesting than either of Andy Murray's autobiographies anyway, but I'm guessing that really wouldn't be that difficult... ♣

A special relationship...

Blimey, was our initial response to these photos. Then we had to excuse ourselves to give them, ahem, a closer look. How often does Britain's hottest porn star – Sam Bentley – get it on with her US counterpart, Mia

Malkova?

It turned out that Sam and Mia are both so into pussy that we couldn't prise them apart and, as far as we know, they're still stuck to each other like limpets. What we can report is the entirety of the noises: "Slurp!" ♣

Lego Marvel Super Heroes

(WB Games, PS3, PS4, 3DS, PC, Wii U, Xbox One)

The developers of the Lego games for home PC's and consoles seem to have a simple motto: It ain't broke, don't fix it. All of their games – *Batman*, *Indiana Jones*, this one, the superb *Lord of the Rings* – are incredibly similar, but still remain a whole heap of fun to play.

Most of the Marvel world is here, from box-office bangers like *Wolverine*, *Thor*, *Iron Man* and *Spidey* to cult favourites like *Union Jack* and *Squirrel Girl*. The game is simple – repetitive tasks, a story that is soon over – but addictive. Even after you've 'finished' it you'll still have tons of studs and collectibles to hunt down, some of them obvious, some of them infuriatingly tricky to find.

Then there's the multiplayer, which adds another dimension to play, and this is a game that is made for co-op. But it's not perfect. That repetition might be a problem for people who played the charming *Lord of the Rings* to death, and characters aside there's little new of note here. It's also a bit glitchy, and this has been picked up on by many early reviewers and players. Scenes freeze, graphics clash, it crashes a fair bit. We're hoping this will be sorted by patches, but we'd recommend saving often. Sometimes in the rush to market games aren't tested thoroughly, and that's costing this otherwise excellent time-sink of a game another star.

★★★★

Only God Forgives

(Lionsgate, Blu-ray £12.99, DVD £9.99)

Director Nicolas Winding Refn and lead Ryan Gosling were the perfect combination when they made *Drive*. This baggy, violent mess is proof that lightning never strikes twice (even if it actually does in real life. Never mind). It might be more stylish than your normal revenge drama as drug dealer Julian and his crime kingpin mother go to Bangkok to seek vengeance for the murder of his brother, but that style just papers over some narrative cracks. It's nice to see Kristin Scott Thomas extend her range, playing a truly vicious character, but that's one of few redeeming features here. Those reviews on the cover are selective at best – its reception was very mixed. ★★

My Neighbour Totoro

(studiocanal, Blu-ray Steelbook £21.50)

First, a minor quibble. For a Blu-ray Steelbook, this is still somewhat overpriced, at just north of £20. For that, you don't get much in the way of extras, nothing deluxe, no postcards or poster. So we're deducting a point. But that still means the film is worth 5 stars. This is Studio Ghibli's most charming film, which means it's the the most charming animation around. It's about childhood, innocence, loss, illness, nature, it has a brilliant Joe Hisaishi soundtrack, moments of laughter and tears, artwork that will have your jaw dropping. It's one of the most perfect movies ever made, so it's no surprise that Totoro himself looms large in Japanese culture. Price aside, it's a must. ★★★★★

Man Of Steel

(Warner Home Video, Blu-ray £16, DVD)

The actors have changed, so has the script and the dialogue, but this *Superman* reboot is still, essentially, the same old DC story. And it's fine, but with recent superhero films like *Avengers Assemble* and *Iron Man 3* really excelling, fine isn't good enough. Cavill is okay, but wooden, Amy Adams too good for the material, while Michael Shannon is as fine a Zod as Terence Stamp. This still isn't exactly super. ★★★

Alan Partridge: Alpha Papa

(Optimum Home, DVD £9.99, Blu-ray £12.99)

The British sitcom turned into a movie has an ignominious history. The big screen Partridge avoids many of the pitfalls, but still doesn't feel particularly cinematic. The plot becomes secondary to 90 minutes of Steve Coogan being great. There are belly laughs, there are dull bits, but at least it's not *Holiday on the Buses*. ★★★

The Wolverine

(20th Century Fox, Blu-ray £14.99, DVD £10)

There's little doubt that Hugh Jackman's Wolverine was the break-out star of the *X-Men* movies, but also little doubt that Hollywood has failed to make the most of him in the spin-offs. This is the second solo outing that arrives with a dull thud on the screen. It is better than the last effort, and has its moments, but it's ultimately a so-so superhero movie in a world full of pretty good ones. ★★★

Life After Life

Kate Atkinson (Doubleday, £18.99)

Kate Atkinson's tricky latest novel is playful with form to say the least. In making it so, she's probably alienated some of the people who like her superior detective fiction or the overrated *Behind the Scenes at the Museum*. But this *Groundhog Day* tale of Ursula Todd at the start of the 20th century is superior to anything she's written before, a breath of fresh air from the stale British novel.

Air

Geoff Ryman (Gollancz, £8.99)

Lots of science fiction books are declared 'masterpieces' by their readership. That's often a case of trying to emphasise difference or outsidership and not necessarily a guarantee of excellence. Ryman's latest, however, is brilliant. It's also prescient – the Air of the title is a communications technology that is all pervasive, and changes lives irreversibly. Urgent but controlled, this is truly brilliant, imaginative and political sci-fi.

The Goldfinch

Donna Tartt (Little, Brown, £20)

Tartt's latest has had mixed reviews, although many of these seem to focus on the slow release of her books – this makes three in 21 years. The criticism is over-egged. While this isn't as stellar as her two previous novels, the story of young Theo Decker who witnesses tragedy as a teenager and grows up haunted/inspired by the painting of the title, is still a true original. Pages float by with brilliance, even if they ultimately don't add up to a classic.

Oldboy

(Palisades Tartan, Blu-ray £15.31)

With Spike Lee's remake about to hit cinemas – and that could go either way, to be honest – it's time to revisit this modern classic as it lands on Blu-ray. Chan-Wook Park's revenge drama is unflinching in its nihilism and violence – Oh Dae-soo is released from a mysterious 15 year imprisonment and is charged with discovering why he was incarcerated in the first place. It's a bleak movie, lifted by searing setpieces – the squid dinner, the hammer fight – and bravura performances. Follow that, Spike. ★★★★★

A Christmas Carol

Charles Dickens (Barnes & Noble, £25)

The world isn't short of editions of Dickens' finest short story, but there is still no better time of year to curl up with this fine book than now. It's a premium edition, beautifully bound, and will grace your bookshelves until you reach for it, port in your other hand, every December. Younger readers will be interested to learn that there are no actual Muppets in it. ♠

Canon EOS 100D

www.canon.co.uk

An 18 million pixel sensor? Why, I don't mind if I do, sir. The EOS 100D claims to be the lightest DSLR with an APS-C sensor currently available. And if all of this is so much gobbledegook to you, then it's a camera and you should probably stick with the one on your smartphone. For enthusiasts, however, this is a cracking camera that doesn't compromise on the important features of its larger siblings, unless you really desire a flippable LCD. You can live without it, we reckon, at this keen price.

Pros: Image quality, autofocus, great build.

Cons: Loses some features.

£160

iPhone 5C

www.apple.com

While we know people that have to update to the latest slightly incrementally different/better iPhone every time they drop, let's be clear: those people are dicks. If you have an iPhone 5, you can ignore this or you're a fool. Got an older/no iPhone? Ok, we can talk. What's good about iPhones is still good about this: user-friendly, iOS 7 is great, the retina screen is brilliant, and the new camera app is a real selling point, allowing you to turn your shitty selfies into (minor) works of art. It's still bloody expensive, however.

Pros: It's an iPhone 5 but cheaper.

Cons: It's not that much cheaper, but feels it.

£470

Sony Smartwatch 2

www.sony.co.uk

Et tu, watches? Why not take something that performs a sweetly simple function like telling the time (and occasionally playing *The Yellow Rose Of Texas* as an alarm) and make it yet another thing that tells you how busy you are, or another thing for you to look at when you're walking down the street instead of watching where you're going like a fucking human being?

It emails, it texts, it has apps, hey, it even tells the time (but why would you ever want a watch to do that? It's relatively stylish for such a thing, but is it too hard for you to use your phone?)

Pros: Well-designed, best of its kind.

Cons: Ultimately unnecessary, no speaker. ♣

The event, organised by our own Mr Can-Do, Mark Hassell, was a huge success, not least because we got to see some boobs while getting drunk. Last time we were in Barcelona, someone nicked our mobile phone and ran off down Las Ramblas. While we were getting stung, Marco Banderas was probably putting this together, getting his dick all wet and shiny in a bunch of

Gina Loves Peaches

(Viv Thomas)

Gina loves Peaches. And it's a bloody good job, as that's the only person she can fuck in this latest from Sapphic specialist Viv Thomas. Viv knows lesbos (the girl-on-girl action, not the island. Although he might have been there and know that well also. We don't know), and this is well shot throughout. However, you'd better love Peaches as much as Gina does, and you'd better love Gina too, as that's all you're getting.

Hotel No Tell

(Wicked)

Wicked Pictures get this month's best film prize by doing something we normally don't approve of – a plot. Actually, this tale of a bell-hop revealing the things that go on inside this seedy hotel isn't too heavy handed. Veteran studs get the best out of the babes, and Kaylani Lei and Kendra Lust make sure there's plenty to keep your balls busy. Bonnie Rotten is too tatted for our tastes, but she also looks like the best shag. Perhaps she'd like to meet us in a Travelodge? ★★★★★

GIRL OF THE YEAR!

My, how the year has flown. It seems like only a few months ago that we were counting the votes for last year's Girl of the Year. In fact, it was only a few months ago because we were a bit slack when it came to opening up that groaning postbag. But, once we got round to it, the gorgeous Danielle Maye was crowned our Girl of 2012. But who will win for 2013? Will Dani retain her crown? Will 2011 winner Jenny Laird come roaring back, especially after recently winning Cover Girl of the Year at the recent Paul Raymond Awards? Or will there be a brand new winner?

Well, that's entirely up to you. Vote for your top girl – or top 3, top 5, we really don't mind (and they don't have to be the ones pictured here), either by email to clubint@paulraymond.com or send a postcard or letter to: **Club International, Blue-Active Media, 23 Lyon Road, Hersham, KT12 3PU.** Please include your address if you want to be included in a random draw to win magazines signed by models and other top notch, top shelf goodies. TEENAGE **LICKS**
...all through the night!

Teenage Licks returns, and who better for it than US porn sensation Holly? This 19-year-old already has a reputation as a fierce fucker, but seems happiest with a cock tucked away in her bum. And you can't say that about many babes who look like this, can you? In fact, if she doesn't get it up the wrong 'un a couple of times a week, she gets decidedly grouchy. You'd have to just to keep her happy, wouldn't you? ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

CIRCLE OF FRIENDS!

Me and my mates are real party girls, and, naturally, love fucking as many guys as possible. But we can have fun just as easily by ourselves – and there's nowhere better to get some great action going than when one of us hosts a sex aid sales party.

It was Lorraine, my sexy blonde best friend's turn to organise one such bash round her place. After a few bottles of vino we were shrieking with laughter at the love eggs, dildos and vibrators that she was passing round, not to mention some well-horny underwear. While Brenda, with the big tits and all-over tan, had gone to the loo to try on a PVC basque and knickers she fancied, I picked up a big, fat, black dildo. I began sucking on it noisily for a laugh, writhing on the sofa. Lorraine, who was sitting next to me, started fondling my boobs through my blouse and black bra. As she kissed my long, dark hair she kept saying stuff like, "Look girls, Cathi wants it," and "Cathi's being a filthy slut for us!"

Her dirty talk and the feel of her hands working my tits began to get my slit all juicy, so I slid down the seat, causing my skirt to ride up, exposing my little black panties and

sheer black stocking tops to the rest of the girls. Nancy, the petite redhead, crouched between my legs and pulled my knickers aside, giggling as she ran her tongue along my pussy opening.

"Mmm, you do smell nice," she said, before plunging inside me, her mouth squashing against my pussy lips as she lapped away at my leaky love-tap.

I pulled the hard, cock-shaped toy from my mouth and wriggled its length between Lorraine's slightly parted thighs. She was wearing a pair of hold-ups and no knickers, so I was able to press the tip straight against her muff. With a few expert movements I managed to ease the whole bulging rubber knob tip into the mouth of her partially shaven fanny.

"What the fuck is going on?" Brenda shrieked as she came back into the lounge in her saucy underwear, her lovely, fat tits bulging out of the shiny

basque. She smiled and licked her ruby lip-sticked lips while taking in the horny sight of me being sucked out by Nancy, while sliding the dildo slowly in and out of Lorraine's slurping twat.

Grabbing a vibrator off the table, she flicked it on to full throttle and clambered on all fours to slip it into Nancy's cunt from behind. Lorraine picked another bright purple vibro and completed the circle by easing it underneath Brenda's shiny panties and into her hot wet cunt. Just imagine us: Four hot sex-hungry girls all joined together with glistening cum-covered sex toys, and not a guy in sight to get off on it!

After a bit of experimenting, we found we could synchronise the thrusts of the fake cocks so that each pussy was filled at the same time. The feeling was fantastic as each girl played with the girl in front's tits or fingered her bumhole. Brenda actually stuck her vibro slowly into Nancy's arse and worked it in up to the hilt. That got my gash-guzzling girlfriend so excited I thought she was going to choke on my fanny as she grabbed my bumcheeks and dragged me hard against her mouth.

Lorraine came first, heaving herself down

“ **Nancy pulled away, grinding her arse onto the plastic dick jammed inside her** ”

on my black dildo – watching her quivering titties and the juice ooze around the rubber toy brought my climax on pretty smartish, too. Swallowing hard, Nancy pulled away, grinding her arse onto the plastic dick jammed inside her and rubbing her clit in order to hasten her own orgasm. Brenda took hold of the purple vibro that Lorraine had been using on her and deftly massaged her G-spot until she too boiled over.

We lay in a giggling, drunken heap for a few moments before finishing off the booze and cleaning ourselves with a lovely four-in-the-shower soap party. Bliss!
Cathi, Colchester.

SURPRISE SURPRISE!

I had recently been away for six weeks to America on business, and on the final phone call to my girlfriend she said that she had a ‘surprise’ for me when I returned. Before I went, she was concerned about me being faithful, and she had even said that she didn’t care how many strip clubs I visited as long as I didn’t cheat. She is dark and dresses classily, however, she knows how much I love the blonde bimbo look, and it was probably her way of showing me that she trusts me. Naturally, I took this as a green light to be in lap dancing joints every night!

As I arrived back through the front door of

our flat, I was greeted with a huge hug from someone I barely recognised. It was obviously Daniella, but she had dyed her hair platinum blonde, and had grown it past her shoulders! As she went to kiss me I was still distracted as her eyes were made up with dark mascara, and her face was tanned. Looking down, I could see that she was wearing a crop top, hot pants and tight knee-length boots! I fixed my eyes on her chest and saw her tits straining in the top, lifting the material away from her newly tanned body.

“Do you like them?” she asked confidently, as she lifted her top to reveal the most perfect breasts I had ever seen. I couldn’t believe that she’d had a boob job without telling me but I wasn’t about to discuss that at this moment! “Is this what you’ve been lusting after for the past six weeks?” she quizzed. I just nodded, my mouth wide open, drooling at her. I was unaware that my hand was down my trousers, and only realised when Daniella said, “You don’t have to keep it in there now, you know.”

She was totally in control, and turned her back to me. Then, placing a hand on each butt cheek, spread her legs and bent forward. The leather hot pants smoothed over her snatch and she rubbed her finger against it, just as I had seen a girl doing a couple of nights before. Turning back round, she

cupped her fantastic tits and walked seductively towards me, and then removed her top in one movement. Spinning it over her head, she then wrapped it round the back of my neck, and pulled my head into her awesome new cleavage. I licked and kissed at her tits frantically, grabbing fistfuls of arse as I ground my exposed prick against her, begging her to hold it. However, she pushed my head back, forcing me to watch with my throbbing cock in my hand a bit longer.

She ran through a whole strip tease, which was every bit as good as any I'd seen; but this was my girlfriend! "You promise no one did this to you?" she suddenly questioned,

“Feeling the cum shooting through my prick, I took hold of her hair and held her head back”

before roughly grabbing my dick and stroking it rhythmically in her perfectly manicured hands. "No, no I promise" I meekly replied.

Then, dropping to her knees as if I was the pole in a club, she then said, "What about this?" and sunk her bright red lips over my grateful penis. "I promise!" I virtually shouted as she licked the length of my shaft. "I bet you wanted to cum on their tits, didn't you? Did you want to fuck their pussies?" she asked aggressively, "Tell me the truth." Caving in, I shouted, "Yes, yes!" and, feeling the cum shooting through my prick, I took hold of her hair and held her head back, staring in awe at how slutty she looked. I soaked her breasts with every drop of frustration I had built up and then entered her mouth again as she licked me clean. It was like all my fantasies rolled into one. She had one final question for me, "Are you glad to be home?" There was no need to answer that.

POP SHOP!

I work at a greengrocer's, and I've got quite close with Jack, this cute guy who works there. A while ago, after work, we were alone in the shop. You can guess what happens next – pretty soon we were naked and going at it.

His cock looked delicious, so after pumping his hard-on in my hand, I dropped to my knees and stuck the purple head into my

eager mouth. Love that hot dick taste! I worked my mouth over and along his hot stiff rod till the whole shaft was in my throat.

Surprisingly, he pulled his cock out of my mouth and went down on me. Now, there are blokes who can lick cunt and there are blokes who really live to lick cunt! It turns out Jack was one of the latter group! I laid back, spreading my legs so he could see my moist cunt open up. He pushed his head towards my pussy and flicked his tongue around my slit while parting my lips with his fingers – I loved the way his tongue darted in and out.

I tugged on my erect nipples, tweaking and pinching them to maximum hardness. Jack's tongue traced the edge of my cunt lips and worked down underneath to my arsehole. I felt my climax rise within me as he continued to drive me wild with his tongue, quick brushes over the clitoris with the occasional lunge into my sopping wetness. Now my orgasm was coming on like an express train, and when it came, I thought it'd never end! Spasms raced through my cunt, and as I yelled in ecstasy, Jack pulled back and shot his load onto my stomach. He hadn't even been pulling his pud or anything!

Before I could get my breath back, he was going down on me again. I'm telling you, that stud could eat pussy better than anybody I've ever come across – excuse the pun. I'll be waiting after work again!

Amanda, Macclesfield.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Ex-Friend Jennifer Aniston has always been quite shy about her obviously wonderful body. There's been bikini stuff, there's been some sexy stuff – her horny/scary turn in *Horrible Bosses*, for example – but there's been no nippage. She kept up her record in the recent *We're The Millers*, even though she was playing a stripper. But then the DVD comes out and it turns out her no-nip striptease was actually a little ruder in the original – those nips were taken out digitally. Well, that's why they have contracts, we suppose, and why we have high-powered computers for grabbing micro-glimpses of Aniston's pygmy's cocks... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

KINKY BOOTS!

I should have let my boss, William, seduce me the first time he tried. The problem was that I wasn't the kind of girl who cheated, at least I never had been before. The difficulty was my boyfriend didn't seem capable of the kind of sex I craved and it became clear that my boss was. "I know what you need," William claimed, "and I can give it to you, if you want." I knew it had been a mistake to let him take me out for lunch. "You can book us a room at the Hilton for Saturday afternoon." The idea of meeting my boss in a hotel room at the weekend was very tempting.

"What about my boyfriend?" My protest sounded weak, even to me.

"Tell him that you're going shopping with Nikki, that friend of yours who just broke up with her boyfriend." I was so surprised that William had remembered such a trivial piece of information about my personal life that I found myself being drawn into the liaison. I'd booked dozens of hotels rooms for William but I was shaking as I made this reservation. I was making arrangements to have sex with my boss; arrangements to cheat on my boyfriend. It wasn't a moment of madness, or a drunken fumble. I was booking a hotel room in which I was going to... do what exactly? I was desperate to find out.

I knocked on the hotel door and William

"I couldn't help but assist in driving my arse more deeply onto the anal invader"

answered... eventually. Had he left me waiting deliberately? Or had he been making some final adjustments? William flashed a confident smile, stepped forward and kissed me. It was a rude, urgent kiss, full of tongue and roving hands and it felt even ruder as the curve of his erect cock pressed against me through the material of his trousers.

William took a pace back but used his body to stop me from entering the room. "Take off your clothes," he instructed. I was shocked but in a thrilled sort of way as my boss demonstrating his control over me. I already felt exposed as I had deliberately chosen the shortest skirt in my wardrobe and kept my legs bare. Now my exposure was about to get

worse, much worse. I did as I was told, taking my clothes off quickly, looking left and right at the row of anonymous doors any one of which could open to reveal someone... maybe even someone that I knew.

Naked, I stood with one leg crossed shyly across in front of my pussy and an arm covering my breasts – but I knew William had already seen it all. I'd never been more exposed or excited in my life. "Put these on," William instructed. He handed me a pair of opaque stockings and a suspender belt, and then a pair of strappy leather ankle boots. I was so shocked that I forgot I was naked in a public place and simply stared, goggle-eyed. They were Manolo Blahniks and they cost

more than my monthly mortgage payment.

"Put them on," William said sharply, and I scrambled to obey. I felt different as soon as I put the boots on – perhaps because I'd never worn anything so expensive in my life. My boyfriend would never have approved of them, deeming anything really nice as a waste of money, and that made me feel dirty and sexy. That dirty feeling led to me standing differently. Was I being defiant or submissive as I let my hands drop by my sides with my legs parted? My body was on full display. "Better," William said, "much better." He gave me a thin smile and then stepped aside. "You may enter." Trembling, I obeyed him, luxuriating in the feel of the smooth silk encasing my legs and the soft leather of the boots wrapped around my feet.

William guided me to the mirror, pressed in behind me and drank in my body with his eyes and his hands. His cock was obvious, pressing hard through his trousers against my bare bottom. My flesh sprang into

into mine as his hands bent me forward and his knees eased my legs apart. I was fully exposed to him and my boss used his fingers to explore.

My breathing became desperate as he rubbed the slippery flesh between my labia and my soft cries became groans as his fingers pressed inside. I whimpered, unable to believe that this could happen with William; that I was allowing my boss to finger my pussy. The fingers squirmed around inside me and there was a soft squelch with every movement. It was embarrassing and each sucking slurp only served to further expose my excitement. I felt the colour rising in my cheeks. Girls shouldn't do this, shouldn't be so excited by this but I was and we both knew it.

I saw the moment that my boss decided to fuck me as I watched his face in the mirror. There was a new concentration, a certainty as he decided to replace his fingers with his cock. Despite my best efforts, I couldn't see

goosebumps. His hands disappeared behind my back and a moment later his trousers dropped. William's lips found my neck, his eyes looking

William's cock in the mirror, but knew that it was a big one as the dome of it pressed into me. My body was eager, more than ready for it and my pussy pulsed as it opened to him. William pressed forward gently but with firm authority. "Fuck me," I begged, needing to be filled by him.

"Yes," he whispered, "I think I will." My back curved and my insides tumbled in a complex mixture of physical and emotional responses. Anticipation became excitement as my boss finally fucked me, finally thrust deep into me. Desperate wanting became satisfaction as the sex became a frenzy of fast, deep strokes. William fucked me in a way that I had only seen in pornos and read about in mucky stories. I had never experienced such urgent, needy sex before.

Something fat pressed against my arsehole and I gasped as it punctured my bottom hole. That had never happened to me before but it made sense to let William do it to me. I humped desperately against William's cock, and in doing so I couldn't help but assist in driving my arse more deeply onto the anal invader. It stretched me and the sensation of being doubly impaled made me cum. The orgasm was blindingly brilliant and made my body sing in a way that it never had before.

Eventually, I sagged, satisfied but ready for more. William hadn't cum. He was saving himself. "Surrender," William hissed. I thought I already had surrendered. I groaned as something wriggled deep inside my arse. I felt fingers splayed over my lower back and realised that it was William's thumb buried in my bottom. It was wonderful. Not just sexy but thrillingly dirty. "Now then, Annie, let's see if you can fit more than my thumb up your bum. Why don't you start by showing me your arsehole?"

William's request genuinely shocked me but again I felt the thrill. I had never imagined my boss asking me to do something so crude. After a slight pause, I reached back with both hands and pulled my buttocks apart. "Not here, on the bed." I strode across the room, luxuriating in the feel of my new boots and crawled onto the bed with my bum held up high and my knees spread. I looked back at William as I spread the cheeks of my arse and could see the swollen lips of my sex in the mirror and above them, the subject of William's request. But I wasn't looking at the reflection of my bum as William began

“As I concentrated on my boss' cock deep in my bottom, my orgasm quickly swelled”

working his greasy fingers into my arsehole, I was staring at his cock and wondering how on earth it would fit in my tiny bum. "Have you had a cock up your bum before, Annie?"

My excitement surged again. So he was really was going to do it to me. My boss was going to bugger me. "No," I groaned.

"Good, I was hoping that I might be your first." My boss had been thinking about sticking his cock up my arse. Had he thought about doing it to me while we'd been at work? I gasped at the thought of being taken over William's desk, wearing nothing but the kinky Manolo Blahniks.

Everything seemed to become a haze as William guided the fat tip of his cock between my buttocks and pressed it into my arse. Sounds came from me that I hadn't thought I was capable of and I shouted words that I never thought I'd use. My fingers went between my legs and pressed deep into my sodden pussy, feeling the hard pressure of William's cock through thin fleshy walls. It was deeply intense and I needed to climax.

As William drove his cock into my arse, my fingers desperately tried to find some friction as I rubbed. I'd never really masturbated when I'd been with a man before but I did now. Part of me was disgusted as I let my boss use my bottom but a little voice was telling me to take full advantage; that this was

wilder than any of my sexual fantasies.

As I concentrated on the sensation of having my boss' cock in my bottom, my orgasm quickly swelled. My whole body came alive with sexual energies which I focussed into a brutal release. I came, and then came again, my head swimming in a confusion of ecstasy as my body spasmed. I'd never let go like that, not ever. They were the best orgasms of my life and I'd had them back to back with my boss' cock twitching and squirting its own desperate release. As numbness transformed back into self-awareness, I noticed William pulling his clothes back on. I wanted him in bed with me.

"Duty calls, I'm afraid," he said, flashing a smile at me. A hot flush of shame briefly washed against the sexual heat still circulating through my body. I had places that I should be too, although my hot and open bumhole was preventing me from thinking about anything too clearly. William leant over and kissed me tenderly. "Make sure you wear your kinky boots on Monday." A flicker from my fantasy made my body glow with renewed desire. As William left, I rolled onto my side and pushed both hands down between my legs. With fingers in both my pussy and arse, I wondered which of my holes William would want to fuck when he bent me over his desk on Monday? Both, I hoped.

HOLLY ♣

Snow ho ho...

Two girls called Holly in one issue? Why the hell not! We think you've got to doff your cap to this Holly for services to being nude in the outdoors. It must be fucking freezing in that snow, but she looks as happy as a polar bear.

"I love sex outside, whether it's warm or cold," she giggles. "In fact, as it's cold, I'm really going to enjoy warming up with a quick fuck up against a tree."

You won't be saying that when we ask you to drop to your knees for 30 minutes. You'll get frostbite.

"Well, it has to be give and take in conditions like this," she says expertly. "You have to get in and out quick, or start here and then retire to somewhere with a roaring fire for a leisurely fuck!" ♣

HOLLY ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

One in the ink!

Debating the rights of gun owners often becomes a heated discussion, but popping caps in the middle of a meeting probably won't help your cause. Police in Wilkesboro, N.C., are currently searching for a suspect who discharged a handgun during a Tuesday night discussion, addressing 2nd Amendment rights held at the local vitamin store.

The unknown male is thought to have accidentally fired his weapon into the store's printer and then fled the scene. Reportedly he told a store employee, "he could not go down for this". No individuals were harmed, unfortunately though the printer inked out.

Don't have a cow!

An autistic gentleman with a fetish for rolling around in cow manure has been transferred from a British mental institution to prison.

David Truscott, 44, has served three jail sentences as a result of his bizarre tastes. Reportedly, Truscott repeatedly stripped and violated farmer, Clive Ross' muck spreader. As a method of prevention Ross cleaned the spreader, which was met with extreme retaliation when Truscott set fire to the farm. Truscott is currently being held at Exeter prison and is due to be sentenced next year. He'll be off the cowpat pies for a while.

I CAN HAS

DUNG BEETLE?

Hamburglars!

Taking pictures of your plunder is never the wisest thing. The four young men in question Instagrammed themselves with a \$120 hoard of fast food, purchased on a stolen credit card. A victim of a spate of break-ins at a

hotel car park was alerted when the charge of \$120 from Carl's Jr. showed up on her credit card and she informed the police.

After a bit of digging around the police traced a number plate belonging to the suspects and the Instagram account where the photo's had been published and they were subsequently arrested. How about a sepia filter on your mug shot?

Lobby-On!

West Palm Beach, Florida, wasn't ready for what Edward Alvin had to offer. Alvin, 34, was reportedly arrested by an off duty police officer at the Department of Highway Safety and Motor Vehicles after being asked

to desist from masturbating in the lobby.

He was charged with indecent exposure, adding to a list of other offences. In July, according to court records, Alvin stole his former boss's car and crashed it while under the influence of alcohol. At least he'll have plenty of time to play with his gear stick in jail. ♣
